OPENING FOR EXPANSION

Senator Vest Starts the Ball On the Roll.

LINDSAY IS FOR SPREADING

Many Democrats Will Join the Republicans.

MAJORITY FOR ANNEXATION

WASHINGTON, Dec. 6.—Mr. Vest, of Missouri, set the ball rolling in the senate today by introducing a resolution against the acquisition of any foreign territory of the part of the United States. It does not appear, however, that the resolution will have national support. The republicans are nearly all for expansion, and many democrats, notably Senator Lindsay, of Kentucky, are for it. Congress is hardly yet open for business, all sides seeming to be getting into good shape before the big questions are taken up. The house held a brief session and adjourned out of respect for dead members.

FOR THE SENATE.

Ex-President Harrison Will Be Elected in Indiana.

INDIANAPOLIS, Dec. 6.—It is now said that beyond all doubt Ex-President Harrison will be elected United States senator to succeed Mr. Murphy, democrat. It is thought that Mr. Harrison will accept.

KILLED TWO.

Man Intentionally and Woman Accidentally.

MARLAN, Ky., Dec. 6.—A man by the name of Taylor was brought here today charged with shooting and killing Will Lee, a prominent man. A woman who was trying to prevent the tragedy was also killed by accident.

A NORTHERN HOWLER.

A Severe Storm Raging on the Lakes.

DETROIT, Mich., Dec. 6.—Another severe storm is raging and the whole of the lake region is affected.

Made an Attempt to Eject the Ruffians.

OFFICERS MAKE AN ARREST

Passengers in on the early morning train today report a dastardly attempted murder last night between Earlington and Nortonville. W. L. Carr, an L. & N. brakeman was found on top of a box car with a hole in his head, and the brains protruding from the wound.

An investigation revealed the fact that he had been assaulted by two tramps who boarded the train at Earlington. One of them was arrested at Earlington last night shortly after the attempted murder became known. He was a white man, and had a pocket full of razors and a pistol that had been fired twice. The other of powder still clinging to it. He was arrested, and a search made for the other tramp, who was a negro, and was supposed to have gone to Nortonville. The victim lived at Earlington, and had been sent back on the train by the conductor. He was not missed until some time later, when some of the brakes required changing, and another brakeman was sent back to adjust them. He found Carr lying on his back on top of the car, with the hole in his head, and unconscious. The white tramp is in jail at Henderson. His name could not be learned.

3RD KENTUCKY BOYS

They Had a Cold Time of It Quartered in Leaky Tents.

Soldiers Anxious to Know What Is to Become of Them.

BUSINESS OF A BIG CANTEN

CAMP CONRAD, Columbus, Ga., Dec. 6.—The weather has been disagreeable for over a week. The cold and rain have been very disagreeable. Most of the tents of the Third Kentucky are old and leaky, and living in them without fire is not the most pleasant thing in the world even this far south.

All the boys are anxious to know what is to become of them. Spain has agreed to the terms proposed. They want to go to Cuba and the sooner the better. Most of them want to spend two or three months in Cuba and then be mustered out.

The First West Virginia has opened a big canteen and it is rumored about camp that the Third Kentucky canteen may soon be "wet." The boys think that the money they will spend with the West Virginians might as well be kept at home and go toward furnishing a better table.

A terrible wind-storm leveled many tents in camp here, and exposed the soldiers to the heavy rainfall. A cold wave quickly followed and the men are suffering considerably. The commissary department of the Third Kentucky was wrecked.

SCHOOL BOARD MEETING.

The City Will be Sued for the Franchise Tax It Refused.

The board of education meets tonight in regular session, and will doubtless instruct the attorney to institute suit against the city for the amount of franchise tax it claims, about \$7,000. The city, by the action of the council last night, is willing to fight the case and see who is right, the city attorney or the twelve "lawyers" who compose the board of education. The council could no more pay the board of education anything out of the franchise tax collected than it could pay the interest on the bonds, either of which would be illegal, if the opinion of the city attorney is worth anything.

The board will also bring up the matter of requiring the members of the graduating class to pass an examination, or be granted a diploma on the average monthly scholarship for the year. Last year one or two of the graduates were to be accorded an additional examination before they could pass.

MUCH TOBACCO COMING.

The Farmers Are Bringing the New Crop in by the Ton.

The tobacco that is now coming to the city is good and in large quantities. Most of the local warehouses are daily surrounded by wagon loads of the weed ready to be unloaded. The farmers have raised good crops and most of them experienced no trouble in disposing of them. They will in a short time return to the city to spend most of the money they are now carrying away, for Christmas is not far off.

Will Locate at Epperson.

Mr. E. Cooper, a farmer of Shetterville, Ill., has purchased Mrs. Haybeck's farm near Epperson and will locate there soon.

THE NEW PETIT JURY PANEL

Jim Epperson Reaps a \$50 Fine for Cutting.

CIRCUIT COURT AT WORK

The petit jury was this morning impeached in the circuit court, and the trial set down to business.

The grand jury is considering jail cases, and has examined a number of witnesses today.

Jim Epperson, a young white man who cut John Johnson, colored, at Jerome Allen's stable several months ago, was allowed to plead guilty this morning to cutting in sudden heat and passion and fined \$50 and costs.

The case against John H. Rogers, of the county, for malicious cutting, was continued until the next term of court.

Bert Thompson, charged with carrying concealed a deadly weapon, was acquitted. He was fined \$50 and costs for firing a pistol on the highway.

The attorneys for the defense in the case against Dr. H. Burrows, charged with murder, filed an affidavit for a continuance.

The petit jury was impeached as follows:

Chas Earhardt, E. R. Davidson, Wm Mercer, Henry Alsop, Chas. P. H. Diehl, W. M. Bailey, F. Hummel, Sr., Thos. H. Bird, Joe P. Wurth, Emmet Rudolph, J. W. Cates, J. R. Lee, J. F. Perrine, H. W. Rankin, A. W. Greif, E. Boswell, H. L. Jones, A. S. Greif, Chas. Collins, M. H. Bradley, Joe Gockley, W. P. Pepper, Chris Liebel.

The case against Dr. Burrows was continued until the thirteenth day of the term.

Major J. H. Ashcraft is foreman of the grand jury.

Mr. Dudley's Condition.

The condition of Mr. F. Dudley, who is in the city hospital, is improving, and the prospects are that he will die. Nothing further has been heard from his relatives, but some of them are expected today or sometime soon.

There are about five in the city hospital who will likely die in a short time. Some of them have been there a long time.
